If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Our fee includes, but is not limited to: staff and facilities to respond to initial request for service; consultation with the family or responsible party; coordinating service plans with cemetery, crematory and/or other parties involved in the final disposition of the deceased; and preparing and filing of required authorizations and permits. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding and receiving remains.)
